

GB'sCafé - *the bakery*

by Ginna BB Gordon

100 sweet and savory recipes from a lifetime of baking

“Like music, cooking and baking must be shared.”

– Ginna BB Gordon

GB's Café is a state of mind. Wherever Ginna is, something sweet or savory is likely to happen, especially if an oven is handy. At the actual Ginna's Café in Carmel Valley in the early 2000s, and in all of her culinary adventures, the bakery is the heart of the kitchen. “My best world is a modern hearth,” she says, “where folks gather to sip good coffee, commune with friends, nibble on scones or popovers or a piece of pie, and, in peace, discuss the greatness and the silliness of the universe.”

Over 100 bakery items are shared in *GB's Café - the bakery*, all the yummy delights her bakery fans long for, with easy to follow recipes.

Share the joys of baking with your besties. Build a gingerbread house with your grandchildren. Keep a copy of *Ginna's Café* on hand. You never know when you might want to make Buttermilk Muffins.
